

## Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

Read more about Early Journal Content at <http://about.jstor.org/participate-jstor/individuals/early-journal-content>.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact [support@jstor.org](mailto:support@jstor.org).

extent of the dominions, &c.—The Book of Wisdom—The Book of Proverbs—Sciences and Arts of Languages, Latin, Greek, and Hebrew. The Book has an index of every subject, treats nearly 250 separate topics. The Book has 612 pages and is entitled “Jews Letters to Voltaire.”—I offer two testimonials, the first from a clergyman, the second from an eminent physician of Kentucky. “I regard this work as one of the most triumphant reputations of Voltaire’s skeptical philosophy and of his varied assaults against the Bible I have met. It is the work of mighty minds, well read in Hebrew learning and thorough masters of their subject. It will be profitable to Christians, Jews and Infidels to give the work a careful reading.” The doctor’s testimony is this: “I regard the book as one of the most extraordinary I have met in my reading, for merit, logic, courtesy, learning, and comprehensive intelligence. Some years ago, I offered twenty dollars for a copy of it, and could not buy it, but afterwards got it by accident.” E. B. GOODALL.

## SEMITIC AND OLD TESTAMENT BIBLIOGRAPHY.

### AMERICAN LITERATURE.

LENORMANT, F., *The Beginnings of History, according to the Bible and the Traditions of Oriental Peoples. From the Creation of man to the Deluge.* (Translated from the Second French Ed.).
